Each student is expected to enroll in at least six (6) academic subjects. Please note: For students participating in sports, six (6) academic subjects must be passed each quarter to remain eligible. Select your choices for your 2024-25 schedule by **CAREFULLY** placing a check mark in the space next to the course. Sophomores must take one semester of an oral communication course and one semester of a written communication course. Your current English teacher will recommend which written communication course you should take. **Teacher approval needed for English, Math, Science, Languages, Honors and AP Course requests.**

Please go to [https://ha.rsu22.us/academics/course\\_offerings/program\\_of\\_studies](https://ha.rsu22.us/academics/course_offerings/program_of_studies) and carefully read about each course you are selecting.

**Please log into your PowerSchool account and register for your 2024-25 classes before March 7th.**

These are the courses you are required to take during your sophomore year. You will be automatically registered in these courses. \*\* English Level will be based on teacher recommendation.
